Euro Heli Series
WORLD CUP FAI

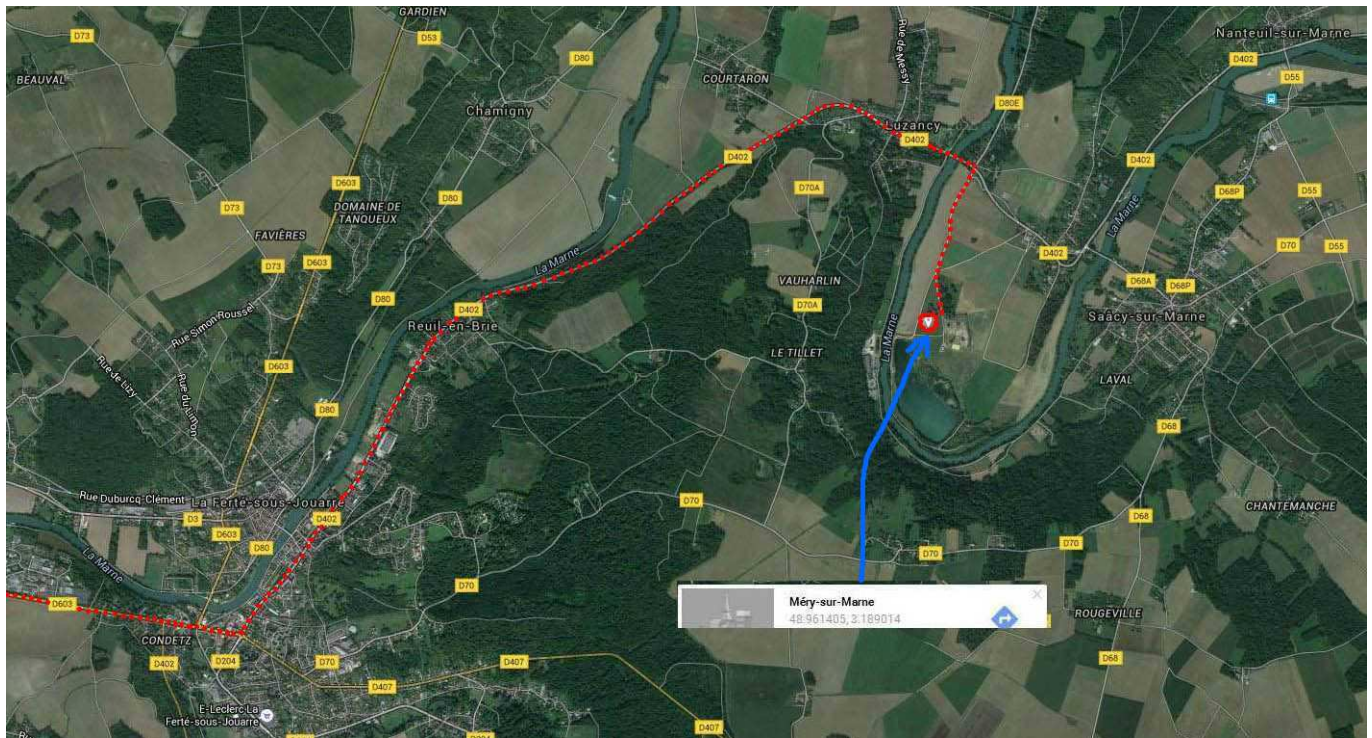

1 Introduction

The ALM club invites you to an international aerobatic helicopter contest to be held on the **24th and 25th September 2016 in MERY SUR MARNE**

The contest will be included in the EUROSERIES tour and will valid points for the WORLD CUP with FAI rules.

2 Location

MERY SUR MARNE is located in the eastern outskirts of PARIS, in a central position in Europe, and provides easy access to pilots coming from countries of Eastern and Central Europe, as well as from the British Islands.

GPS entry point of the path to the field from D402 road : **N48°58.201' E003°11.286'**
(N 48.970080, E 3.193073)

3 Organisation

The contest will be held in accordance with the rulebook « **FAI Section 4 Aeromodelling Volume F3 RC Model Helicopters 2016 modified 1st of May 2016** ».

Pilots must have a valid FAI license 2016, and use 2.4GHZ Radio control system (FM is prohibited).

The first preliminary round will take place after a random drawing made on site by computer to determine the flight order. The last pilot in the flight order will be called to perform the calibration flight.

The same procedure will be applied for final flights.

There will be scheduled 3 preliminary rounds for all pilots, and 2 final flights for the best 10 pilots placed at the end of the preliminaries. If too many pilots come, the number of preliminary flights could be reduced to 2.

To meet the scheduled timing, the maximum acceptable number of pilots is about 25.

Training will not be possible on the field during the contest.

There will be no permanent electric power available on the field to charge batteries. You have to bring more batteries, or your own autonomous generator.

The official languages during the contest will be English and French.

The scores will be sent by email as soon as the score sheets will be computerized.

For that a valid email address is requested in the registration form.

At the end of each round all the score sheets and classification tables will be available on the competition results website. The URL will be indicated in Bulletin 2.

For the score sheets, it will be nice to have an ID picture of each pilot. Thanks to send it by email to the organizer.
